

I feel that it would be a great dis-service to the residents of New Jersey if you decided to overturn the "do not call list" and made it less stringent. I can now enjoy my time at home without the phone ringing every 5 minutes with telemarketers. I still recieve several phone calls, but it has diminshed 90% since I signed up for the do not call list. Please reconsider and allow us to maintain our peaceful family time together.
